CHAMPIONSHIP INFORMATION

Dear Athletes, Coaches, Officials and Attendees,

On behalf of the Lawrence Sports Corporation, eXplore Lawrence, the USATF Missouri Valley Association, the City of Lawrence and The University of Kansas, it is my great pleasure to welcome you to the 2017 USATF Junior Olympic Track & Field Championships.

We are proud and honored to host this great event at Rock Chalk Park, home of the University of Kansas track & field team. Although KU men's basketball receives national attention for its winning tradition, the Jayhawk track & field program has an equally proud heritage, including more national championship trophies than men's basketball.

We hope you enjoy the competition and your time in our city, especially the KU campus and historic Massachusetts Street in downtown Lawrence. If there is anything we can do to make your stay more enjoyable, please ask one of our staff or visit the information desk at Rock Chalk Park.

All the best for a great championship!

Sincerely,

Bob Sanner
Executive Director
Lawrence Sports Corporation

WELCOME TO LAWRENCE

The 51st USATF National Junior Olympic Track & Field Championships will be held at Rock Chalk Park, the home of Kansas Track & Field, in Lawrence, Kansas. The USATF Junior Olympic Track & Field Championships is one of the most visible youth athletic development programs in the world. Many of today's Olympic stars began their track & field careers competing in the USATF National Junior Olympic Track & Field Championships.

Nearly 9,000 athletes are expected to travel to Lawrence for the USATF National Junior Olympic Track & Field Championships. Entry for this championship is based on athlete performances at Preliminary, Association and Regional levels of the 2017 USATF Junior Olympic Program. Competition takes place in six (6) two-year age groups with athletes generally falling between the ages of 7 and 18.

With a seating capacity of nearly 8,000 and a new state-of-the-art Beynon surface, Rock Chalk Park is one of five IAAF Class I Certified tracks in the United States. These factors will prove Lawrence to be a premier host for this year's Junior Olympic competition.

America's next generation of track & field stars will compete throughout the summer and take center stage at the national championships in Lawrence. USATF and Association host, USATF Missouri Valley, hopes you will join in the excitement!

For a 3,000-meter race walk, the athlete with three red cards must stay in the pit lane for 30 seconds. Officials will keep track of the time, alert the athlete when there is 10 seconds remaining on the penalty, then release the athlete when the 30 seconds has expired. The athlete is free to stop or continue moving inside the penalty area; however there shall be no benches and no access to refreshments, drinking, sponging or other kind of assistance, but communication with coaches is allowed. The athlete is not judged in the penalty area. **Due to quickness of the 1500 m races, the actual pit lane will not be used but a time penalty of 30 seconds will be added to the finish times of those athletes receiving 3 red cards. Practice Times

The competition facilities will be available for evening practice for up to 90 minutes after the last contested event, between the dates of Monday, July 25, to Saturday, July 30. Start times for evening practice are contingent upon the last scheduled event of the daily competition. If the daily schedule runs longer than scheduled, coaches and parents understand that they CANNOT use the facility while competition is being held. Meet Management reserves the right to revoke practice facility privileges as they see fit. Coaches and parents are responsible for ensuring that all trash is cleaned up. Additionally, an open practice in the stadium will be available on Sunday, July 23, from 8 a.m. until noon and 4-7 p.m.

Pole Vault

Refer to USATF Rule 302.5(n). All competitors must provide their own vaulting poles. Participants in the Pole Vault competition will be weighed; all poles will be inspected for manufacturers' pole ratings and the maximum top hand hold position as determined by the manufacturer. The competitors' weights must be at or below the manufacturers' pole ratings. NO EXCEPTIONS. Poles will be impounded at the time of inspection, at the warm-up area for the event. Meet management will not be responsible for any pole that is shipped to or impounded at the meet without a hard protective case.

Athletes may ship vaulting poles directly to Rock Chalk Park:

Rock Chalk Park
6100 Rock Chalk Drive
Lawrence, KS 66049
Attn: Athletic Facilities

*Shipping Note: In order to ensure that the poles can be located for the competition, the container must be clearly labeled with the athlete's name, age, gender and event day.

Shipments should be scheduled to arrive no earlier than Monday, July 17.

There will NOT be poles available to rent on site.

Protests

Protests are \$100. Appeals are \$100. Protests fees are non-refundable unless protest is upheld.

Coaches Boxes

Coaches Boxes (where applicable for the Pole Vault, High Jump, Shot Put, Discus, and Javelin) are accessible with Coaches credentials. Only coaches with approved background checks that have been issued coaches wristbands will be allowed in the designated coaches box.

During the Pole Vault, credentialed coaches may watch from a designated box, located on the infield near the pole vault pits. A designated coaches' area, located on the first row bleachers on the east side of the stadium bleachers, will be available for the horizontal jumps. All other coaches' boxes will be outside of the field of play. Athletes will not be allowed to cross the track to talk to coaches or enter the coaches box on the infield.

Electronic equipment including cell phones, cameras, video, and tables are prohibited in the coaches' box. Video recording must be done outside of these designated areas.

Awards

National Championship Medals and caps will be awarded for first through eighth place in each event.

Awards Presentations

Earning a national medal is an amazing accomplishment! As such, USATF and the organizing committee will recognize all award recipients in a formal ceremony (up to 90 minutes after the conclusion of each event). We encourage athletes, parents and coaches to schedule their return flights to accommodate the ceremonies.

The awards presentation area can be located indoors at Sports Pavilion Lawrence, located across the parking lot northeast of the track.

Medals will not be distributed in advance of an event ceremony. Instructions for requesting a medal to be mailed will be provided onsite.

Medical Services

Athlete medical services will be coordinated by the University of Kansas Medical Center and EMTs will be on site to address injuries and other medical issues.

Weather

Lawrence is typically dry and hot during the summer months. Temperatures can reach the 100s at times, so athletes, coaches, officials and attendees are encouraged to stay hydrated and take the appropriate measures to reduce exposure to the sun and heat.

Chances of rain or thunderstorms is very small during the summer months. However, in the event of inclement weather or a

disaster of any kind, as it is determined by USATF, Meet Management, local law enforcement and Douglas County Fire & Medical, the following plan has been established should it be necessary to evacuate Rock Chalk Park:

All athletes that have checked in for competition will be escorted inside of the track offices located inside the east bleachers by competition officials.

All meet and championship officials will also be directed to the Meet Management offices located in Rock Chalk Park.

All fans, patrons, and non-competing athletes will be directed to return to their vehicles or inside Sports Pavilion Lawrence.

Rock Chalk Park will adhere to the university's lightning policy, and all inclement weather possibilities will be closely monitored by Meet Management. Meet Management will update all participants and spectators by loudspeaker, internet and Twitter updates.
